4 Cosmo is power packed with CP Breeding. Cosmo is a PRB World Finals Qualifier. He is the Sire of the 2006 ABBI World Classic Finals Qualifiers #232 #226. On July 21, 2006 at the "Tulsa Express PBR Classic ABBI-BFT Level Classic Event", Bull #226 Superman tied for 1st place with D & H /Teague's bull Stray Kitty and #232 Countersink tied for 7 & 8th place. On October 30th in Round 1 at the ABBI World Classic Finals in Las Vegas, #232 Countersink placed 4th and #226 Superman split 9&10. After the final round was completed, #232 Countersink placed 9th and #226 placed 12th in the World Classic Finals Average, making #4 Cosmo the only SIRE to have 2 sons finish in the top 12. Another noted son, #225 Tabasco, placed 43rd out of 186 at the 2006 Wild Card Classic in Oklahoma. In September of 2006, J Bar W sold half interest in bulls #225, 226 and 232 to Michael Roth and Michael Lang from Saugerties, NY. We would like to thank them for their faith in our breeding program and wish them much success in their new adventure
